**To whom it may concern**

Dear Sir/Madam

**RE: Industrial attachment for the third year students**

As part of the training offered by the University of Rwanda, College of Science and Technology, 3rd years students are required to undertake industrial training in their fields for 10 weeks. Assessment conducted during the training counts towards the overall performance of the student.
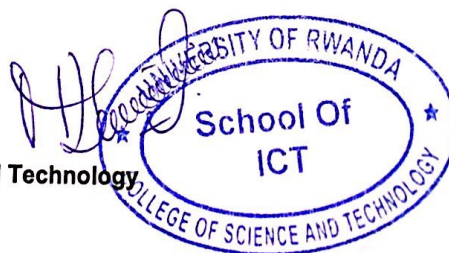

We are kindly requesting you to host **BERIMANA GLORIA**, with registration number: **219008901** following the program of Computer and Software Engineering from **January to March 2022** for industrial attachment in your Institution.

In case you may find more places for our students, we will appreciate to inform our School of ICT through: rmusab10@gmail.com

We deeply appreciate your support in enhancing the employability of our graduates and look forward to further collaboration between the School of ICT and your Institution.

Yours faithfully,

**Dr. Richard MUSABE**
**Dean, School of ICT**
**College of Science and Technology**
